

Welcome to Malente

The health resort Malente, lies amid the beautiful landscape of Holstein's Switzerland between Lake Kellerssee and Lake Dieksee. Within this brochure you will find first information about the different sights and entertainment possibilities of Malente. The tourist-service of Malente wishes you a relaxing holiday!

SPORT & HEALTH

Malente features a huge variety of attractive sport and recreational facilities, e.g. the first Nordic Fitness Park of Northern Germany which provides excellent conditions for beginners and advanced walkers with 21 different routes of 152.2 km length. In contrast the high ropes course of Malente gives the chance to experience ones potential. Furthermore Malente possesses of the biggest Kneipp pool at Lake Dieksee. Sebastian Kneipp developed 5 principles: 1st the healthy effect of water, 2nd balanced meals, 3rd usage of herbs, 4th vitality through exercise and 5th harmony between mind and body. He revolutionized natural medicine with this philosophy in the 19th century. Malente offers lots of Kneipp-possibilities as well as a huge variety of sports and health activities. Further information can be obtained at tourist-service of Malente.

TEWS-KATE (2)

Museum of local history

The small cottage was named after the family Tews who was once owner of the cottage, which originates from the time of the Thirty Years' War and is the oldest smoke cottage in Eastern Holstein. Today it is converted to a museum of local history and can be visited. It exhibits old agricultural equipment, tools and furniture.

Opening hours: Tue–Sun 2 pm–5 pm, Admission free!

THOMSEN-KATE (3)

Exhibitions regularly take place in this old thatched small cottage. Furthermore it hosts the civil registry's room for wedding ceremonies.

From 01.05.–20.09. also 11 am, 1 pm, 3 pm and 5 pm

LAKE KELLERSEE TOUR (5)

Enjoy water, air and landscape on Lake Kellersee. Be inspired by the tranquility and beauty of the nature of this region, which has also inspired many painters, poets and artists.

Daily: 10 am, 12 am, 2 pm, 4 pm from Malente Janusallee

ERRATIC BOULDER PARK (6)

Several heavy, tall erratic boulders from the last ice age can be visited in a park at Kreuzfeld. A 126 tons heavy erratic boulder builds the centre point of the park.

LOOK-OUT (7)

140 steps lead to two platforms of 16 and 24 m height at the lookout at Neversfelde. Once reached the top, a fantastic panoramic view over Holstein's Switzerland can be experienced. At high visibility one can even spot the shipyard crane of Kiel and the high buildings at the Baltic Sea. The path to the lookout is signposted.

The ascent is free of charge.

GAME RESERVE & ARBORETUM (8)

The game reserve of Malente, possesses of 20 ha of space and gives home to red deer, fallow deer and wild boars. **Closed: October/November.** The adjacent arboretum is home to more than 100 forest species from all over the world, which are to some extent rarely found.

BUTCHERY AND SMOKEHOUSE (9)

The Petersen family still cures meat according to old traditional recipes. Specialties of Holstein, e.g. smoked ham, original "Rum-Mettwurst" (cured sausage meat spread) and lamb-ham can be tasted, eaten and purchased. Besides there are solid hotpots and snacks offered daily. Farmhouse bread from sourdough is baked in the old wood stone oven thrice weekly.

Opening hours: Mon–Sat 10 am–6 pm,

Sundays and holidays 11 am–6 pm

KURGARTEN (10)

(PARK OF THE HEALTH RESORT MALENTE)

The landscape gardener Karl Plomin and the architect Peter Arp created in close collaboration the 56,000 m big park in 1962, which was reopened after restoration in 2008. Guided tours take regularly place within main season and during low season on request. Further information is available at tourist-service of Malente **+49 (0)45 23-20 29 69.**
